

**Plus 68 League Special Playoff Rules:**

- a) Only roster players shall be able to participate in the playoffs**
- b) Players on teams that have byes or have been eliminated from the tournament shall have priority sub status**
- c) In the event that substitutes from bye or eliminated teams are not available managers can look to obtain substitutes from the non-roster substitute list**
- d) Substitutes shall be assigned using the A-B-C rating system with equal value for the missing roster player. In addition, A rated subs must have been drafted in a round equal to or lower than the A player they are replacing.**
- e) Substitutes secured within the submission guidelines can bat anywhere within a team's game day line up Substitutes obtained on game day must bat at the bottom of a team's line up in the following order: Pitching substitutes must bat ahead of A subs, followed by B then C substitutes**
- f) Teams whose designated pitcher is in their starting lineup are prohibited from requesting a substitute pitcher. Any player that is a designated pitcher for a team may not be used as a position player. In the event the designated pitcher is injured during the game and the team does not have another certified pitcher on their roster, a substitute pitcher can be obtained**
- g) The same substitute cannot be selected more than two times by a team in the tournament and may not be used in consecutive games.**
- h) All other regular season rules will remain in effect for the tournament**
